

Community manager appreciation event

Antis Roofing and Waterproofing (ARW) held its 2nd Annual "Community Manager Appreciation Event" for all of Southern California's community managers and management company staff at the Anaheim House of Blues on July 28, 2010. Attending the event were 1,050 guests, which was headlined by the recording artists "Sugar Ray".

The 800+ management company directors, community managers and customer service agents received a powerful "Thank You" from Habitat from Humanity, as their support of ARW allowed for Antis to install 29 new complete condominium roofing systems over the past year. This is because Charles Antis, president of ARW, committed to donate all the roofing services to facilitate the installation of all roofs installed by the Orange County Chapter of Habitat for Humanity in 2009. Mark McGrath of Sugar Ray and Sharon Ellis of Habitat for Humanity stimulated the crowd with heartfelt moments of sincere appreciation and top-shelf entertainment.

Mark McGrath and "Sugar Ray" charmed the capacity crowd at Antis Roofing's House of Blues Management Appreciation Event.

N.N. Jaeschke is San Diego's most experienced and comprehensive property services company. Since 1971, our sole focus has been providing property services that enrich communities and enhance the associations we serve.
